

24th ANNUAL REPORT 2013-2014

THE NAME BEHIND COLORS OF MODERN LIFE

Bhagwandas K. Patel Managing Director

Dear Members,

I am pleased to present the 24th Annual Report of our Company for the financial year 2013-14. It is with my great pleasure that I share with you our signature milestones and highlights for the year ended 31 March 2014. We are heartened to report that we continued to deliver robust financial numbers and highly commendable margins. Despite the ever-escalating increase in the cost of raw materials and other expenses, Dynemic continued to deliver, both operationally and financially. It is indeed my firm belief that we have emerged stronger and in better competitive shape than ever.

Dynemic achieved a record sales turnover of Rs. 11384 Lacs comprising Rs. 3288 Lacs in the domestic market and Rs. 8096 Lacs in exports. Comparing to previous year the turnover are high by 37% and net profits are high by 136%. The impact is due to good and favourable market conditions throughout the year.

Our announcement on the setting-up of Unit-III in Dahej in February 2014 marks the other important thrust of our growth plans. We have been finally allotted 74615.54 sq.mt. plot and the cost of the said land is firmed up at Rs. 9 Crore appx.

The earnings per share rose to Rs. 9.03 per share from Rs. 3.83 per share of last year.

The Board of Directors has recommended a dividend of Rs. 1.50 per equity share of Rs. 10 for the year 2013-14 amounting to Rs. 169.93 Lacs.

As far as year 2014-15 is concerned, your Management is much positive looking to the results of Q-1 wherein we had achieved a turnover of Rs. 30 crore. Also the group's investment in Dahej forms the cornerstone to our long term sustainable growth.

On behalf of Board and the Management team, we wish to thank you for your undivided commitment, trust and faith in us. We will continue to build and deliver attractive returns. We would also like to thank our customers, vendors, bankers, insurance companies, consultants and advisors who always stood by us and extended strong support to us in all circumstances. We also take this opportunity to appreciate our employees who with their powerful sense of commitment and belonging helped the company to achieve the desired results.

Bhagwandas K. Patel Managing Director

To create mortgage and / or charge upto the said limit, approval of the Members is required to be obtained pursuant to Section 180 (1) (a) of the Companies Act, 2013 authorizing the Board of Directors of the Company in this regard. What is the "Green Economy"?

GG For the purposes of the Green Economy Initiative, UNEP has developed a working definition of a green economy as one that results in improved human well-being and social equity, while significantly reducing environmental risks and ecological scarcities. In its simplest expression, a green economy can be thought of as one which islow carbon, resource efficient and socially inclusive.

Practically speaking, a green economy is one whose growth in income and employment is driven by public and private investments that reduce carbon emissions and pollution, enhance energy and resource efficiency, and prevent the loss of biodiversity and ecosystem services. These investments need to be catalyzed and supported by targeted public expenditure, policy reforms and regulation changes. This development path should maintain, enhance and, where necessary, rebuild natural capital as a critical economic asset and source of public benefits, especially for poor people whose livelihoods and security depend strongly on nature.
